# HP EliteBook Revolve
Bends over backwards to get more done.

This ultra-thin, full-performance Windows 8[1] notebook transforms into a tablet, so you can choose what works best in any situation. One device gives you the power to tackle the workday, your way.
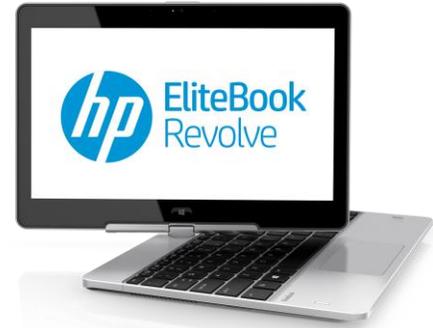

HP recommends Windows.

Work your way.
Get a sleek, thin, and light notebook with a screen that revolves to share your work. Turn and fold the touch-enabled display and go ultra-mobile as a tablet. The HP EliteBook Revolve moves the way you do; automatically adjusting the screen orientation, brightness, and more based on the way you're working.

With an 11.6-inch diagonal HD[7] display and a starting weight of 3.04 lb.,[20] the HP EliteBook Revolve is optimized for Windows 8. Featuring a full-sized, backlit keyboard and optional pen,[10] you have the tools to get the job done.

Enterprise-class docking capabilities let you easily connect to a display, keyboard, mouse and other key accessories[10] when parked at the office.

Be seen and heard clearly with a 720p HD[7] camera for video conferencing,[14] dual-microphone array and DTS Studio Sound.

No compromise performance.
Driven by the latest Intel® processors and solid-state drive options up to 256 GB. Be ready in as fast as 5 milliseconds with Intel® Rapid Start Technology.[18]

With optional mobile broadband be confident that you're on.

Connect to accessories[10] through USB 3.0 and DisplayPort. Get simple wireless transactions, data sharing, log in, and more with secure NFC.[15]

Built for Business. Built to Last.
Premium materials like scratch-resistant Corning® Gorilla® Glass® 2 and a tough, all-magnesium body deliver a notebook that goes the distance.

HP Global Services and HP Custom Integration Services simplify deploying the HP EliteBook Revolve enterprise-wide.

Manage a fleet easily with Active Directory, domain join, and PXE boot support. Or choose the LANDesk Management Suite, which can also help locate your missing PC and protect your data by remotely locking your device, and erasing all or some of the data from your EliteBook Swivel. You're protected at every layer with HP Client Security. HP BIOS Protection helps keep you defended against viruses, and an embedded certified TPM security chip is included for data encryption.

Keep sensitive data and devices in-house, and save both time and money. Maintenance is easy—no special tools required.

The HP EliteBook Revolve. Make the work day revolve around you.

HP EliteBook Revolve

HP recommends Windows.

SPECIFICATIONS

Product Name	HP EliteBook Revolve 810
Operating System	Preinstalled: Windows 8 Pro 64[1] Windows 8 64[1] Windows 7 Professional (available through downgrade rights from Windows 8 Pro)[21] Windows 7 Professional 64[2] Windows 7 Home Premium 64[2] Support: Windows 8 Pro 32[1] Windows 8 32[1] Windows 8 Enterprise 32[1] Windows 8 Enterprise 64[1] Windows 7 Professional 32[2] Windows 7 Ultimate 32[2] Windows 7 Ultimate 64[2] Windows 7 Home Premium 32[2] Windows 7 Home Basic 32[2] Windows 7 Home Basic 64[2]
Processor[3]	3rd Generation Intel® Core™ i7, i5 with Turbo Boost Technology; 3rd Generation Intel® Core™ i3
Chipset	Mobile Intel® QM77 Express (vPro[4] support on i7 and i5)
Memory[5]	DDR3L PC3-12800 SDRAM, 1600 MHz, one slot supporting dual-channel memory, up to 12 GB total (4 GB soldered down)
Internal Storage[6]	Up to 256 GB mSATA SSD
Display	11.6-inch diagonal LED-backlit HD[7] UWVA display (1366 x 768)
Graphics	Intel® HD[7] Graphics 4000
Audio/Visual	DTS Studio Sound, integrated stereo speakers, dual-microphone array, 720p HD[7] Webcam
Wireless[8,16]	WLAN: Intel® Centrino Advanced-N 6205 802.11a/b/g/n (2x2); Intel® 802.11 a/b/g/n (2x2) and Bluetooth combo WWAN (All support GPS):[24] HP un2430 EV-DO/HSPA Mobile Broadband;[16,10] HP hs2350 HSPA+ Mobile Broadband;[16,10]
Communications	Intel® 82579LM (10/100/1000 NIC)
Expansion Slots	MicroSD slot, Micro-SIM
Ports and Connectors	2 USB 3.0 ports; 1 RJ-45 (Ethernet) port; 1 DisplayPort, 1 headphone/microphone combo jack; 1 side docking connector; 1 power connector
Input Devices	Full-sized backlit, spill-resistant keyboard with bottom-case drain, clickpad image sensor, three buttons (Windows, power, rotation lock, volume up and down) Optional: Active Pen[10]
Software	HP ePrint,[25] PDF Complete Corporate Edition, Evernote, Adobe® Flash Player, Skype ready,[14] Skitch (Windows 8 only), Buy Microsoft Office to activate Office Software on this PC
Security	Common Criteria EAL4+ Augmented Certified Discrete TPM 1.2 Embedded Security Chip, Security lock slot, HP BIOS (BIOS Protection, Secure Erase,[26] Computrace Persistence,[22] DriveLock and Automatic DriveLock, Preboot Security, Master Boot Record recovery), HP Client Security Software[9]: Drive Encryption, Credential Manager, Password Manager, Absolute Data Protect (Windows 8 only),[9] Face Recognition,[9] One Step Logon, SpareKey,[23] Device Access Manager with Just In Time Authentication, Embedded Security (Windows 7 only), Privacy Manager (Windows 7 only), Microsoft Security Essentials (Windows 7 only),[27] DigitalPass (Windows 7 only), Central Management capable[13]
Management	LANDesk Management Suite,[10] LANDesk Security Suite,[10] HP System Software Manager (available at no charge as a download from the web), HP Softpaq Download Manager (available at no charge as a download from the web)
Dimensions (w x d x h)	8.35 x 11.22 x 0.80 in / 212 x 285 x 22.2 mm
Weight[20]	Starting at 3.04 lb (1378.92 g)
Power	Primary: 6 cell (44 WHr) polymer battery, HP 45W Slim Smart AC Adapter
Sensors	Gyroscope, Accelerometer, Compass, Ambient Light Sensor, Proximity (SAR), Near Field Communication (NFC)[15]
Expansion Solutions	Optional HP Docking Station[10]
Warranty	Limited 90 day warranty (depending on country); 1 and 3 year limited warranty options[10] available. Optional HP Care Pack Services[10,11] are extended service contracts which go beyond your standard warranties. For more details visit: http://www.hp.com/go/lookuptool.

HP EliteBook Revolve

Windows 8[1]

2 USB 3.0 ports located in back

Clickpad image sensor

Full-sized backlit, spill-resistant keyboard with bottom-case drain
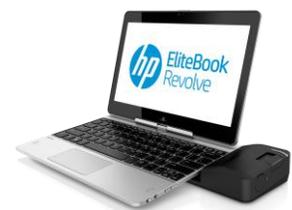

1. Not all features are available in all editions of Windows 8. Systems may require upgraded and/or separately purchased hardware, drivers and/or software to take full advantage of Windows 8 functionality. See http://www.microsoft.com/
2. Systems may require upgraded and/or separately purchased hardware to take full advantage of Windows 7 functionality. See http://www.microsoft.com/windows/windows-7/ for details.
3. Multi-Core is designed to improve performance of certain software products. Not all customers or software applications will necessarily benefit from use of this technology. 64-bit computing on Intel® architecture requires a computer system with a processor, chipset, BIOS, operating system, device drivers, and applications enabled for Intel® 64 architecture. Processors will not operate (including 32-bit operation) without an Intel® 64 architecture-enabled BIOS. Performance will vary depending on your hardware and software configurations. Intel's numbering is not a measurement of higher performance.
4. Some functionality of this technology, such as Intel® Active management technology and Intel Virtualization technology, requires additional 3rd party software in order to run. Availability of future "virtual appliances" applications for Intel vPro technology is dependent on 3rd party software providers. Microsoft Windows required.
5. Maximum memory capacities assume Windows 64-bit operating systems or Linux. With Windows 32-bit operating systems, memory above 3 GB may not all be available due to system resource requirements.
6. For hard drives, GB = 1 billion bytes. Actual formatted capacity is less. Up to 15 GB (for Windows 7) and up to 3 (30?) GB (for Windows 8) of system disk is reserved for the system recovery software.
7. HD content required to view HD images.
8. Wireless access point and Internet service required. Availability of public wireless access points limited.
9. Requires Microsoft Windows.
10. Sold separately or as an optional feature.
11. Service levels and response times for HP Care Packs may vary depending on your geographic location. Service starts on date of hardware purchase. Restrictions and limitations apply. For details, visit www.hp.com/go/lookuptool
12. Select HP devices include a 4 year license of Absolute Data Protect to locate your device, lock and prevent unauthorized access and remotely delete personal data. See http://www.absolute.com/landing/2012/computrace-hp for complete details. Absolute Data Protect agent is shipped turned off, and must be activated by customers. Service may be limited, check with Absolute for availability outside the U.S. The optional subscription service of Absolute Recovery Guarantee is a limited warranty. Certain conditions apply. For full details visit: http://www.absolute.com/company/legal/agreements/computrace-agreement. If Data Delete is utilized, the Recovery Guarantee payment is null and void. In order to use the Data Delete service, customers must first sign a Pre-Authorization Agreement and either create a PIN or purchase one or more RSA SecureID tokens from Absolute Software.
13. In order to deploy and receive updated policies, the client needs to be connected to the network server and requires separately purchased DigitalPersona Pro software. System access may not prevent users from logging into the system on the first attempt if policy updates haven't yet been received and applied.
14. Internet access required.
15. NFC software is not included and is sold separately. Internet access required.
16. Wireless use requires separately purchased service contract. Check with your local vendor for coverage area and availability in your area. Connection and speeds will vary due to location, environment, network conditions, and other factors.
17. Requires a compatible Intel® Core processor, Intel® Rapid Start software and BIOS update, and optional Solid State Drive (SSD) or mSATA flash cache module. Depending on system configuration, results may vary.
18. Based on PCMark testing. Depending on system configuration, your results may vary.
19. Opt-in and Internet connection required for updates.
20. Weight will vary by configuration.
21. This system is preinstalled with Windows 7 Pro software and also comes with a license and media for Windows 8 Pro software. You may only use one version of the Windows software at a time. Switching between versions will require you to uninstall one version and install the other version. You must back up all data (files, photos, etc.) before uninstalling and installing operating systems to avoid loss of your data.
22. Computrace agent is shipped turned off, and must be activated by customers when they purchase a subscription. Subscriptions can be purchased for terms ranging for multiple years. Service is limited, check with Absolute for availability outside the U.S.
23. Requires initial user setup.
24. GPS access requires an unobstructed path to multiple satellites. Performance may be affected if/when used inside of buildings, bridges or heavily congested metropolitan areas. Requires separately purchased GPS navigation software available from multiple GPS applications.
25. Requires an Internet connection to HP web-enabled printer and HP ePrint account registration (for a list of eligible printers, supported documents and image types and other HP ePrint details, see www.hp.com/go/eprintcenter).Requires optional broadband module. Broadband use requires separately purchased service contract. Check with service provider for coverage and availability in your area. Separately purchased data plans or usage fees may apply. Print times and connection speeds may vary.
26. For the methods outlined in the National Institute of Standards and Technology Special Publication 800-88.
27. Opt-in and Internet connection required for updates.
